An occasional tennis player, he has a played 2, won 2 record for the 4th team tennis!

"I am looking forward to my new role at Sale Sports Club as the Club and Commercial Manager. The new facility we have is fantastic and one we should be proud of. We should also recognise the hard work of many members from the Club who have worked tirelessly to get the Clubhouse where it is.

I am looking forward to working with all the sections. If you have any questions, ideas or comments, please drop me an e-mail or call in for a chat." (email: manager@salesportsclub.com)

The demolition of the old clubhouse is likely to be starting very soon. Once this is happening we will once again have to manage with restricted parking spaces for a period, so please try to avoid travelling by car and avoid parking on Clarendon Crescent.
