SAFEGUARDING POLICY

Introduction

Sale Tennis Club is part of Sale Sports Club and its safeguarding and other policies sit within the overall policies of Sale Sports Club.

Sale Tennis Club is an open tennis club, which provides adult team and social tennis, family and junior social tennis, junior tennis competitions and coaching for adults and juniors.

Sale Sports Club is currently governed by two elected bodies – the Council and the Executive. One of the officers of the Executive is the Club Safeguarding Officer who has the responsibility to ensure that all sporting sections are up-to-date with their policies and procedures. Any safeguarding incidents must be reported to the Club Safeguarding Officer who reports to the Executive. The Executive is in turn responsible to the Club Council to account for its management of safeguarding.

The Sports Club and the Tennis Club recognise the importance of providing a safe and welcoming environment for all who play tennis at the club and accept a special responsibility for the safeguarding of juniors and vulnerable adults. However, we also accept that our duty of care applies to all children and adults whatever their age, disability, gender reassignment status, marriage or civil partnership status, pregnancy or maternity status, race, religion or faith, sex, sexual orientation, socio-economic or other background.

The policies and procedures outlines apply to all members, coaches, visitors, volunteers, and employees.

This policy document has been drawn up to conform to the good practice outlined in the LTA Advice and Guidance document – What's the Score.

Policy

- appointing a Welfare Officer
- reporting to the Club Safeguarding Officer
- ensuring appropriate training for welfare officer and committee members and volunteers where appropriate
- discussing safeguarding at minuted tennis committee meetings
- keeping abreast of advice from the LTA
- informing members and others of this policy;
- ensuring that any coaches and volunteers working with juniors have the required DBS clearance as well as appropriate qualifications
- following LTA advice in contracting with coaches via an SLA
- ensuring the name and contact details of the Club Welfare Officer is available:
 - as the first point of contact for parents, children and volunteers/staff within the club
 - as a local source of procedural advice for the club, its committee and members
 - as the main point of contact within the club for the LTA Safeguarding Team
 - as the main point of contact within the club for relevant external agencies in connection with child safeguarding
- ensuring correct and comprehensive reporting procedures exist for raising and managing child safeguarding concerns. Such procedures should recognise the responsibility of the statutory agencies and be in accordance with pre-defined child safeguarding procedures as set down by the LTA, Statutory Agencies and Local Safeguarding Children Board (LSCB) guidelines and policies
- providing everyone connected with the Club (including parents, children and volunteers) with the opportunity to voice any concerns they have (about possible suspected child abuse, and/or about poor practice) to the Club Welfare Officer
- ensuring all individuals working within tennis at, or for, the Club are provided with support, through education and training, so they are aware of, and can adhere to, good practice and code of conduct guidelines defined by the LTA and the club
- ensuring the name and contact details of the Club Welfare Officer is available
- reviewing and updating this policy annually
