

SALE C.C. Junior Section

The Junior section at Sale Cricket Club has grown immensely over the last couple of years and it is felt that, to continue the excellent work already started, and to help manage that growth, we need more people to become involved. Therefore, we would like to set up a Junior Committee to fulfil that role.

It is envisaged that this committee would have several functions:

- Give a means of communicating ideas
- Provide a forum for discussing and resolving any issues
- provide a vital link between the junior and senior section
- organise and run social events
- fund raising
- relieve some of the duties from the Chairman and coaches

We are sure that there is a wealth of untapped resources and experience within our parents, maybe from involvement with other sports, schools, committees etc., which could be used to help the juniors.

Therefore, if you would like to become involved with the committee, or can offer help in any other way (no matter how small) then please come to a meeting on Monday 5th February at 8pm at the cricket club where we can discuss the way forward.

It is vital that people become involved if the junior section is to continue to succeed.

If you have any questions regarding this matter, please contact either Alison Cara on 969 9993 or 0777 3614134 or Rob Moore on 07775 880433.
