## Welcome

We are now 6 weeks into our coaching program, with good progress being made in terms of both the development of many of our members and of the overall development of the section.

## Matches Played So Far

After a great start against Flixton, the Under 13's lost their other matches, despite some good spells of play within those matches.

The Under 11 team has only managed one game, a victory against Hale Barns, due to the poor weather.

We have also arranged one Under 9 game. Although the team lost to Toft, nobody will forget the appearance of spectator Andy Flintoft on his way back from Lancashire's C&G trophy victory against Essex.

## Selection and Match Play Policy

We have noticed that some teams in the Under 13 league are allowing their more talented players to do most of the batting and bowling. This is something that we believe should not occur at this age group, all members will be given an equal opportunity to play, bat and bowl.

## Under 13 Manager

We are pleased to announce that Alison Cara has 'volunteered' to be Under 13 manager, please help make her job as easy as possible. A big thank you goes to Alison, Sue Woodward and other who have been roped in to help with refreshments and general organization on Monday evenings and on match days. Alison's phone numbers are 0161 9699993 & 07773 614134.

## Cricket Foundation National Grand Draw

Included with this newsletter are two books of tickets for the Cricket Foundation Draw. This is a great way of raising funds for the club. There are 35 great prizes and for every £1 ticket we sell we keep 90p. If you can sell the tickets that would be great, if not please return all unsold tickets as we will have to send in 10p for any unreturned tickets. If you think you can sell more tickets, please let Alison, Sue or Rob know. All tickets need returning by 13<sup>th</sup> August.
