

## **JUNIOR NEWSLETTER**

2003 was the first year of our new junior development program. We would like to thank everyone who participated in and supported the program; ensuring it was a success. We hope everyone enjoyed the coaching and the matches played.

Joel has prepared a short report on your progress, which is included with this newsletter; we hope it will give you some areas to work on for next season.

### **New Teams in 2004**

The popularity of our scheme meant that everyone didn't play every week. Next season we shall be running 3 teams, adding an under 9 & under 12 team to our existing under 11 team. We hope that this will mean that you all play more often.

Running 2 new teams means that we will need extra support from parents/guardians. We can provide the coaches, but ideally we would like one parent to manage each team. The club will pay for a basic coaching course. If you are interested please let Rob or Joel know.

### **Coaching in 2004**

For those of you attending one of the schools in our scheme your After School Cricket Clubs will have started, or be starting in January 2004.

Winter coaching has been provisionally booked to start on Sunday 1<sup>st</sup> of February at Jeff Joseph's school. We will contact you after Christmas to confirm the details.

### **Kingsmill Kit For Clubs – How You Can Help!**

You may be aware that Kingsmill are including tokens on their bread towards free sports kit. If you eat Kingsmill bread at home please save the tokens and bring them in at the start of next season so that we can get some free equipment.

From everyone at Sale CC and CAP Sport we hope you have a great winter and look forward to seeing you all again soon. If you require any further information please do not hesitate to give us a call.

Many Thanks
